All material risks and/or side effects of a proposed procedure, as well as the probability of success with such procedure, shall be disclosed to the patient by his/her attending physical therapist.
- The patient shall not be subjected to any procedure without his/her voluntary and competent consent, or the consent of his legally authorized representative. Where medically significant alternatives for care or treatment exist, the patient shall be so informed.
- The patient has the right to know who is responsible for authorizing and performing any and all treatment procedures.
- The patient shall be advised if Mount Nittany Health Fit for Play proposes to engage in or perform experimental therapies, for the purpose of research, affecting their care. The patient has the right to refuse to participate in experimental therapies for research use.

## Patient Assignment and Release of Insurance Benefits and Payments

I, the undersigned, assign to **Mount Nittany Health Fit for Play** all authorized medical payments and benefits otherwise payable to me for services rendered. I understand that I am financially responsible for all charges whether or not paid by insurance. I hereby authorize the release of all information necessary to my attending physician for consultation; my attorney for legal purposes; my insurance carrier or other responsible party to secure payment of benefits. I authorize the use of this signature on all insurance submissions.

### Insurance Authorization

I request that payment of authorized Medicare benefits be made either to me or on my behalf to **Mount Nittany Health Fit for Play** for any services furnished by that provider. I authorize the holder of medical information about me to release to the Health Care Financing Administration and its agents any information needed to determine those benefits or the benefits payable for related services.

I understand my signature requests that payment be made and authorizes release of medical information necessary to pay the claim. If "other health insurance" is indicated in box 9 of the HCFA-1500 form, or elsewhere on the approved claim forms or electronically submitted claims, my signature authorizes releasing of the information to the insurer or agency shown. In Medicare assigned cases, the provider agrees to accept the charge determination of the Medicare carrier as the full charge, and the patient is responsible only for the deductible, coinsurance and non-covered services. Coinsurance and the deductible are based upon the charge determination of the Medicare carrier.

**After reading the above, I consent to receive physical therapy treatment at Mount Nittany Health Fit for Play, terminating when determined by myself, my physician or my physical therapist.**
